

## MILLIONAIRE SET IS TRAINING FOR FOX TROT THROUGH TENNIS

Miss Rena Manning, member of the exclusive winter colony at Pasadena, Cal., who set a hard pace in athletic training, not alone for the pleasure to be derived directly, but with the serious purpose of hardening herself for the social activities of the night now centered around the fox trot and kindred dances. Tennis is one of the most popular of these "first aids to the ne wdances." Many of the others of the millionaire tourist set followed Miss Manning's example.

The efficiency bureau says: "Drinkers are 90 per cent men." Whether it means 90 per cent of drinkers are

males or that a drinker is 90 per cent of a man makes little difference. Both are correct.
